Insurance Requirements

To protect all parties in the event of an accident, a current and valid Certificate of Insurance is required to rent from Reel Men.

We highly recommend that you complete this process in advance, as we hate to delay releasing your equipment if the insurance company has not sent us a certificate by the time you come to pick up your equipment.

To ease this process, we suggest the following 3 steps be taken:

- Email or Fax this document to your Insurance Co. - Ensure your name is provided below.
- Follow-up with your Insurance Co. to ensure that you have proper coverage (see checklist below)
- Have your Insurance Co. provide a Certificate of Insurance to us that indicates the required coverage.

Customer/Insured: _____

Insurance companies / Agents – This requested insurance certificate is to cover rented equipment by the above mentioned Insured. Coverage amounts are detailed on the next page.

Reel Men requires the following coverage shown on the Certificate of Insurance:

Commercial General Liability Insurance - \$1M coverage

Misc. Rented Equipment (may also be stated as: Production Pkg or Producers Pkg or Entertainment Pkg or Equip Floater or BPP (Business Personal Property). *If BPP, certificate must indicate coverage at all unnamed locations and intransit*) - *Anything else will not cover our equipment.*

If a vehicle is rented, we also need **Hired Auto Liability** (\$1M) and **Hired Auto Physical Damage** (Value = \$35,000.00)

Notes:

- Coverage should indicate replacement cost and must include the value of all rented equipment. (Please call us if this value needs to be determined.)

Reel Men must be named as **Additional Insured** (General & Auto Liability).

Reel Men must be named as **Loss Payee** (rented equipment and vehicles provided).

Insurance Company should fax or email Certificate of Insurance to:
